General Terms and Conditions

Applicability of Consumer Laws

In Australia: The benefits of the limited warranties in this booklet are in addition to other rights and remedies you have under the Australian Consumer Law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

In New Zealand: Our goods also come with guarantees that cannot be excluded under New Zealand consumer law except if you purchased your product in New Zealand for a business, in which case you acknowledge and agree that the Consumer Guarantees Act 1993 shall not apply to the goods supplied to you for those purposes and to the maximum extent permitted by law, our liability to you or anyone claiming through you, will be limited at all times to the purchase price of the goods to which your claim relates.

Nothing in this booklet is intended exclude, restrict, modify or affect the application of any condition, guarantee, right or remedy provided by the Australian Consumer Law or the New Zealand Consumer Guarantees Act 1993 (together, "Consumer Laws").

Warranty Coverage

Only first quality carpet (not seconds or irregulars) which meets INVISTA's construction and performance specifications can earn the name STAINMASTER® carpet and be covered under the limited warranties in this booklet.

The limited warranties in this booklet apply to all wall-to-wall STAINMASTER® carpet products purchased on or after 1 November 2014 in Australia or New Zealand and installed in an owner-occupied space in an owner-occupied residence. If the carpet is removed from the home in which it was first installed then these limited warranties will be deemed null and void.

General Exclusions

The limited warranties in this booklet do not cover:

- Bound rugs.
- Carpets put into commercial use (including, but not limited to, use in a store, office or other place of business), rented dwellings, timeshare dwellings, motor homes (RVs) or houseboats.
- Abnormal use or conditions, or any type of abuse, vandalism, or damage by smoke, fire, storm, flood, hurricane, wind, lightning, any other natural disaster, or any act of God. "Abnormal use or conditions" includes, but is not limited to, water damage from plumbing, storm or flood, damage from smoke or fire, damage from improper cleaning methods or materials, or from improper maintenance. "Abuse" includes, but is not limited to, any use of the carpet that is unreasonable considering the normal and expected uses of a carpet in an owner-occupied residence.

- Damage caused by wetting or persistence of excessive moisture, improper installation, defective building construction, pets.
- Damage resulting in, or changes to your carpet arising from, tears, pulls, cuts, pilling, shedding, burns, fuzzing, matting, crushing, shading or pile reversal

Each limited warranty in this booklet is also subject to specific exclusions, as set out on pages 7-9.

Transferability

All warranty coverage is transferable to subsequent owner-occupiers only in owner-occupied residences. The original homeowner must contact the STAINMASTER® carpet Service Centre to provide original receipts documenting the carpet purchase and proof that the carpet has been maintained every 18 months, using the hot water extraction cleaning method, since the original carpet purchase date. This documentation must be provided within sixty (60) days of the home sale. INVISTA will then provide the new homeowner with a written authorisation transferring the warranty coverage.

Care and Cleaning Obligations

To maintain the limited warranties in this booklet you must have hot water extraction (steam cleaning) performed by a trained, qualified carpet care professional, at least as frequently as every 18 months from the date of purchase of your carpet. Failing to do so will void these limited warranties.

Clean stains or soiled areas promptly. If the problem remains after do-it-yourself cleaning, then have your carpet professionally cleaned by hot water extraction (steam cleaning) at your expense; these maintenance costs will not be reimbursed. If the problem still remains after professional cleaning, contact the STAINMASTER® carpet Service Centre within 30 days of the professional cleaning.

To learn more about carpet care or to get cleaning tips on specific stains please visit www.stainmaster.com.au/carpetcare or www.stainmaster.co.nz/carpetcare or phone the STAINMASTER® carpet Service Centre on 1800 335 624 (Australia) or 0800 468 420 (New Zealand).

- You must reasonably cooperate with INVISTA in its efforts to perform its obligations under the limited warranties in this booklet.

Note: the limited warranties set out in this booklet are each subject to the General Terms and Conditions on page 4-6, including with respect to warranty coverage, exclusions and transferability. Please read each of the General Terms and Conditions carefully before proceeding.

FOR THE SAKE OF CLARITY, THE TERM "CONSEQUENTIAL DAMAGES" SHALL INCLUDE, BUT NOT BE LIMITED TO, LOSS OF USE AND LOSS OR DAMAGE TO PROPERTY.

Lifetime Food & Beverage Stain Resistance Limited Warranty

For the life of your STAINMASTER® carpet, INVISTA warrants that the surface pile of your carpet will resist food and beverage stains that occur during normal residential use. If INVISTA determines that your carpet does not meet this limited warranty, INVISTA will, at its sole option, repair or replace the affected area of your carpet.

No carpet is fully stain proof. This limited warranty does not cover the following:

- Stains caused by non-food or non-beverage substances including, but not limited to, cosmetics, bleaches, inks, vomit, blood or faeces.
- Stains caused by substances that destroy or change the colour of the carpet, including, but not limited to, dyes (such as clothing dyes), bleaches, acne medications, drain cleaners and plant food.
- The reappearance of previously-cleaned stains (known as "wicking"). Wicking occurs when stains that have been concealed in the carpet backing or underlay, reappear during additional re-cleaning.

Lifetime Soil Resistance Limited Warranty

Over time any carpet may change colour due to the accumulation of dry soil from foot traffic. For the life of your STAINMASTER® carpet, INVISTA warrants that it will not experience a noticeable colour change due to deposits of dry soil as a result of foot traffic from normal, indoor household use. If INVISTA determines that your carpet does not meet this limited warranty, INVISTA will, at its sole option, repair or replace the affected area of your carpet.

For the purposes of this limited warranty, a "noticeable colour change" is defined as a rating of 3 or less on the American Association of Textile Chemists and Colourists Gray Scale for colour change.

This limited warranty does not cover colour changes arising from grease, mud, asphalt, tar, paints, ink, rust, blood, cement, materials that permanently destroy dyes or alter colours (such as bleaches, acne medications, drain cleaners and plant food), urine, faeces, vomit, burns, pets, tears, cuts, pulls, shading or pile reversal, fading, furniture depressions or athletic equipment.

Lifetime Anti-Static Limited Warranty

For the life of your STAINMASTER® carpet, INVISTA warrants it will not generate static greater than 5.0 kilovolts (using the American Association of Textile Chemists and Colourists Test Method 134). If INVISTA determines that your carpet does not meet this limited warranty, INVISTA will, at its sole option, repair or replace the affected area of your carpet.

15-year Abrasive Wear Limited Warranty

For a period of 15 years beginning from the date at purchase, INVISTA warrants that your STAINMASTER® carpet will not incur fibre loss from abrasive wear of more than 10% in any area during normal residential use. For the purposes of this limited warranty, "fibre loss from abrasive wear" is defined as actual loss of fibre, due to abrasion, from the surface pile of your carpet. If INVISTA determines that your carpet does not meet this limited warranty, INVISTA will, at its sole option, repair or replace the affected area of your carpet.

Fade Resistance Limited Warranty

INVISTA warrants that if you follow the care and cleaning obligations (page 5), your STAINMASTER® carpet will not experience a noticeable colour change from exposure to sunlight or atmospheric contaminants (ozone or oxides of nitrogen) for the period applicable to your brand of carpet, as set out below.

- All brands of STAINMASTER® carpet other than STAINMASTER® SolarMax® carpet – 15 years beginning from the date at purchase.
- STAINMASTER® SolarMax® carpet – 25 years beginning from the date at purchase, pro-rated from 15 years (see page 9).

If INVISTA determines that your carpet does not meet this limited warranty, INVISTA will, at its sole option, repair or replace the affected area of your carpet.

For the purposes of this limited warranty, a "noticeable colour change" is defined as a rating of 3 or less on the American Association of Textile Chemists and Colourists Gray Scale for colour change.

This warranty coverage applies to indoor carpet installations only.

This limited warranty does not cover colour changes arising from:

- Air purifiers, photo-copiers or other electronic equipment that emit significant amounts of ozone.
- External causes, such as spills of household chemicals, improper cleaning and other substances.
- Pesticides, cleaning agents, benzoyl peroxide and other household items.
- Noticeable colour change due to accumulation of dry soil as a result of foot traffic from normal, indoor household use.
